

## Agilysys Financial Solutions: Get the Hardware and Software You Need Right Now

In today's economy, many retailers are experiencing credit constraints that are preventing them from implementing new technology solutions. Agilysys would like to work with you to minimize the impact on your capital budget, give you greater asset control, avoid the risk of obsolescence and make future upgrades easy to manage without the worries of asset disposal.

**Agilysys Financial Solutions can help you get the store technology solutions that you want – and install them TODAY.**

Agilysys Retail Solutions Group provides a tailored, comprehensive suite of integrated technology solutions and services that optimize operational efficiency, increase profitability and enhance the customer experience. From initial planning and acquisition of new hardware through discarding of old equipment, Agilysys can assist every step of the way.

In addition to providing you with solutions that help you resolve your most complicated IT needs, Agilysys can offer leasing options for the equipment, systems and services you need to remain competitive. Through innovative financing programs and a wide range of options, we strive to expand your buying power. Our team of dedicated and knowledgeable professionals will work with you to customize a payment solution that meets your overall business objectives.

**To implement new technology solutions for your company, Agilysys can help you:**

### **Plan**

Let us consult with you to develop a long-term investment strategy to support your business growth and acquire the IT solutions you need now and in the future.

### **Obtain**

Get the best solution for your company – one that fits your budget and your financial reporting objectives.

### **Refresh**

Take advantage of newer, faster and more cost efficient IT options as they become available by allowing Agilysys to construct a technology refresh upgrade plan for you.

### **Dispose**

Avoid the risks of ownership, which includes technology obsolescence and asset disposal issues. When your lease term is over, you can return the equipment to the leasing company, purchase a new solution, renew or extend your lease or choose to buy the equipment outright.
