A Mobile POS Revolution: Growing Your Bottom Line

Gaming and Hospitality Venues choose
InfoGenesis® Flex to Increase Profitability:

Agilysys InfoGenesis® Flex offers full point-of-sale functionality on a convenient tablet, providing an enhanced guest experience whether poolside, on casino floors, convention halls, lounges, beach, spa or dining outlets.

Increased revenue is achieved with an efficient, mobile POS. Use InfoGenesis® Flex to connect with guests and meet their needs more quickly. Accelerated speed of service boosts guest reviews while increasing the total check size. Switch seamlessly between terminals and tablets to maximize server efficiency. With powerful off-line capabilities, mobile POS tablets offer continuous performance to new areas in your property - even when connectivity is interrupted or nonexistent.

“We introduced InfoGenesis Flex for temporary concessions at our summer outdoor concert series and made enough revenue lift in the first weekend to pay for 100% of our hardware costs.”
