# TAKE YOUR PMS TO THE NEXT LEVEL

MAKE THE MOVE TO A SaaS SOLUTION

With LMS™ SaaS you have the full power of LMS in a hosted environment. As more enterprises move to the cloud, Agilysys remains dedicated to delivering solutions that meet our LMS customers' ROI needs.

## 5 Reasons to Switch to SaaS Solution:

- 1. Accelerated ROI** – Limit staffing and IT costs associated with traditional, on-site deployment. Strip away implementation complexities and get advanced functionality to your business faster than ever before.
- 2. Elevated Guest Experiences** – Hosted frees up your resources to focus on delivering optimal guest experiences. Delegate your IT fundamentals to the best in the business and refocus your talents on delighting guests.
- 3. Predictable Costs** – No more unexpected spikes in IT spend. Our dedicated service with all the infrastructure in place, gives you more freedom to plan for growth even when technology is constantly changing. Know exactly what your costs will be today, and well into the future.
- 4. Reduced Risk** – Hosted removes the obligation of expiring warranties, and application and infrastructure management. You get seamless enhancements without the downtime or frustration often associated with upgrades. Leverage reliable, accredited professionals to reduce the IT security and compliance burden.
- 5. Equipped For Growth** – Starting today, you can grow your business with the assurance that you're getting the most current functionality coupled with heightened security to complement all your internal capabilities as your business expands.
