

**HOW DO YOU DRIVE YOUR
HOTEL'S SUCCESS?**

**Exceed guest
expectations.**

More than
84% of hotels **EXPECT MOBILE PMS** access will
IMPROVE their daily efficiency¹.

A cloud-based, intuitive PMS allows you to focus on connecting with your guests on a personal level.

This connection is often the difference between a memorable experience and a mediocre one.

- **Extend your market reach** with a streamlined PMS that conveniently interfaces with other online tools, including web reservations, booking engines and OTAs. Eliminate the challenges of managing rates and inventory for multiple online distribution channels so you can concentrate on building your reputation in the marketplace.
- **Real-time access.** Take command with an intuitive interface that allows you to easily manage your business on the run. Monitor housekeeping stats and check-in your guests from anywhere, even off property.
- **Increase guest confidence** with secure payment processing. Nearly **30% of hotels are now preparing to support advancements in payment processing**². rGuest® Pay protects sensitive guest data and helps reduce your PCI burden with every credit card transaction.
- **Generate revenue with more upsell opportunities.** The intelligent logic in rGuest Stay presents room upsell offers based on your business rules, increasing guest wallet share opportunities.
- **Rapid ROI.** See quicker returns on your investments with less technology overhead. Convert capital expenses to operational costs and get access to the latest updates without the pain often associated with upgrades.

Cloud PMS is your one-stop solution to increase revenue, improve occupancy and inventory management, reduce costs, and increase brand and guest satisfaction.

rGuest® Stay delivers intuitive PMS functionality – so you can deliver more meaningful guest experiences.

¹Upgrading to a Next-generation Hotel Property Management System: Here's What You Need To Know. June 2015, Starfleet Media.
