

Group Bookings Made Easy

Centralized Management,
Automated Workflows, Happy Guests

Group bookings are complex, but they don't have to be.

Book Groups by Agilysys provides a unified platform to manage every aspect of group stays, events, and billing. From room blocks and delegate registration to packages, amenities, and folio posting. With real-time visibility, automated workflows, and centralized dashboards, your staff stays organized, and errors are minimized. This way guests enjoy a smooth personalized experience with secure booking access, event-specific landing pages, and optional upgrades. Book Groups help you drive both operational efficiency and increased group revenue.

Benefits:

Simplify Group Planning & Management

Keep room blocks, registrations, and event details all in one place so your team can stay organized, reduce back-and-forth, and avoid juggling spreadsheets or emails.

Prevent Overbooking & Maximize Availability

Clearly see how many rooms are booked and how many remain, helping you protect contracted blocks while making the most of available inventory.

Increase Group Revenue

Offer room upgrades, packages, and add-ons during the booking process to increase revenue per guest without adding extra steps for staff.

Save Staff Time & Improve Efficiency

Reduce manual work with built-in tracking, confirmations, and simple reporting tools that keep sales, events, and front desk teams aligned.

Enhance Delegate Experience

Provide an easy, branded booking page where guests can quickly view event details, access group rates, and reserve their rooms with confidence.

Scale with Confidence

Easily manage everything from small corporate meetings to large conferences while maintaining visibility and control at every stage.
