

An All-in-One Mobile POS Designed for Speed

Take Orders & Payments Anywhere
With Purpose-Built Handhelds

Hospitality moves at the speed of the guest, and every second counts.

That's why your staff needs specialized technology that not only keeps them moving but delivers the freedom to serve anywhere guests choose to be. IG Fly brings the power of Agilysys InfoGenesis POS to a rugged handheld, enabling secure payments, accurate orders, and faster service, all in the palm of your servers' hands.

Benefits:

Serve Guests Anywhere

Empower staff to take orders and payments wherever guests choose to be, whether at the table, poolside, patio, or lobby.

Enhance Guest Satisfaction

Deliver a seamless experience by reducing wait times and enabling guests to wrap up their dining experience without delays.

Accelerate Service

Reduce wait times and keep pace with guest expectations by enabling fast, on-the-spot transactions while eliminating trips to terminals.

Boost Order Accuracy & Food Quality

Capture orders on the spot to eliminate errors and send items instantly to the kitchen for faster prep and fresher food.

Maximize Revenue Opportunities

Turn mobility into bigger checks by capturing impulse purchases and upselling anywhere.

Improve Staff Engagement & Earnings

Enable servers to serve more guests during their shift, increasing tips and job satisfaction.
