

Self-Service Technology That Transforms Guest Convenience

Enable Quick Ordering, Secure Payments, & Smart Upsells to Boost Revenue

Guest expectations are rising faster than staffing levels

Guests want fast, frictionless ordering, while operators need smarter ways to serve more customers with fewer resources. IG Kiosk closes that gap with self-service technology that speeds ordering, reduces front-of-house labor strain, and drives higher check averages through intuitive upsell experiences. The result is faster service, more efficient operations, and a seamless guest experience anywhere on property.

Benefits:

Reduce Labor Costs

Minimize staffing requirements by enabling guests to place orders and make payments on their own.

Improve Operational Efficiency

Streamline workflows and reduce bottlenecks during peak service times.

Increase Revenue

Drive higher check averages with built-in upsell prompts and promotions.

Always-On Availability

Provide access to 24/7 ordering to capture more sales without relying on staff availability.

Enhance Guest Satisfaction

Deliver fast, frictionless ordering and payment options that meet modern expectations.

Adapt to Any Property Location

Deploy kiosks in high-traffic areas, remote venues, or anywhere guests need quick service.
