

Membership Management Built for Modern Hospitality

Technology That Drives Recurring
Revenue & Meaningful Guest Loyalty

Membership programs should be easy to manage and valuable to guests.

Agilysys Membership enables hospitality brands to create flexible, structured membership programs that generate recurring revenue while delivering exclusive benefits across the property. Natively integrated within the Agilysys ecosystem, the platform automates enrollment, billing, and benefit tracking in real time, giving operators full control over rules, access, and the member experience without manual workarounds

Benefits:

Drive Predictable, Recurring Revenue

Generate steady income through recurring membership fees, reducing reliance on seasonal demand and one-time transactions.

Scale Memberships Across Properties

Launch and manage membership programs across single or multi-property environments with centralized rules and visibility.

Deliver Exclusive Member Experiences

Offer members priority access, preferred pricing, and unique benefits that strengthen emotional loyalty beyond discounts.

Maintain Full Operational Control

Define who qualifies, what benefits apply, and where memberships are honored without workarounds or exceptions.

Eliminate Manual Membership Management

Replace spreadsheets and disconnected systems with automated enrollment, billing, and benefit tracking.

Increase Member Retention & Lifetime Value

Maintain consistent engagement with always-on benefits that encourage ongoing participation and repeat spend.
