

Smarter Spa Operations for Memorable Guest Experiences

Integrated Technology That Simplifies
Operations & Personalizes Wellness Journeys

Exceptional spa experiences don't happen by chance.

When appointments, staffing, retail, and guest data live in disconnected systems, service consistency suffers and revenue opportunities are missed. Agilysys Spa brings scheduling, guest profiles, staff management, retail, and revenue tools together in a single, purpose-built platform. With real-time visibility and intelligent controls, teams optimize utilization, increase spend, and deliver personalized wellness journeys that feel effortless to guests and manageable for staff.

Benefits:

Optimize Treatment Room Utilization

Maximize appointment availability and therapist productivity with intelligent scheduling tools that reduce gaps and increase revenue per room.

Streamline Spa Operations

Simplify scheduling, check-in, commissions, and daily workflows to reduce administrative workload and support staff efficiency.

Increase Revenue Per Guest

Drive higher spend through dynamic pricing, curated packages, retail integration, and seamless add-ons during the booking journey.

Empower Smarter Revenue Decisions

Access real-time performance metrics across services, therapists, rooms, and retail to refine pricing and operational strategies.

Elevate The Guest Journey

Deliver personalized service with centralized guest preferences, treatment history, and integrated communications across every visit.

Scale Across Properties

Support single luxury spas or multi-location wellness portfolios with centralized oversight and flexible configuration.
