

## Contactless Payments: A Strategic Step For The New Normal

*With an increased focus on the convenience and security of contactless payments, IG Quick Pay makes it easy to accept and track cashless transactions whenever and wherever your guests are.*

Agilysys understands that many hotels and restaurants are encouraging their guests to pay using methods that limit contact between staff and consumers. The shift toward contactless payments is quickly picking up speed and is considered a strategic step toward a “new normal”.

### IG Quick Pay
