## Increase Direct Bookings Revenue

### Revolutionize Room Bookings

A commission-free, easy-to-use reservation system that's designed to move guests effortlessly through the booking process. Book a single room, or multiple rooms at once while attractively presenting all of the promotions and options your property has to offer.

### Real-time Results

- Real-time Room Availability - Allows you to sell every last room and boost the value of your entire property, while integration to the PMS enables access to guest information and casino patron data
- Seamless Confirmations - Guests receive a single confirmation, without the confusion associated with multiple confirmations from outside the PMS
- Immediate Deposits - No longer wait for booking deposits
- Instant PMS Data Access - No configuring of other systems to synchronize with your PMS

### Engage Guests Anywhere

Boost bookings on any device. Mobile-friendly, responsive design provides a flexible booking process whether on a phone, tablet or desktop.

### Stay Enhancements

Engage guests with targeted add-ons and amplify revenue. Service enhancement are automatically suggested during booking - fresh flowers, a bottle of wine, or even book spa treatments when you integrate Agilysys Spa solution.

### Fast/Easy Deployment

Implement with the efficiency of SaaS, hosted in the cloud. Securely integrates with Agilysys Lodging Management System (LMS<sup>®</sup>), Agilysys Versa and Agilysys Stay.
