

Fast, Secure Contactless Guest Payments

Simple, Secure Mobile Technology
That Keeps Guests Moving

Payments shouldn't slow down the guest experience.

Rising labor costs and operational challenges make it harder to deliver efficient service, leading to long waits and delayed check settlements that frustrate guests and staff alike. Agilysys IG Quick Pay streamlines the final step of the service journey by enabling guests to simply scan a QR code, review their check, add a tip, and pay directly from their own devices, resulting in a fast, contactless digital payment experience.

Benefits:

Optimize Labor

Refocus staff to better serve more efficiently and deliver great experiences by enabling guests to pay quickly and independently.

Enhance Guest Satisfaction

Give guests fast, secure mobile payment options that meet modern expectations for contactless convenience and efficiency.

Accelerate Service

Deliver faster, smoother payment interactions that reduce bottlenecks.

Improve Security

Guests pay from their own mobile devices, keeping cards in their possession and minimizing fraud and contact risks.

Boost Conversion

Increase your operational capacity by processing more guest payments in less time, especially during peak periods.

Maximize Operational Flexibility

Enable mobile payments that work anywhere on property and adapt to any venue, from quick-service outlets to poolside and high-traffic areas.
