Simplify Therapist Performance Visibility

- Agilysys Spa Therapist Portal provides therapists with an exclusive login to a portal where each therapist can view their individual appointments, commissions, and total earnings. Allowing them to track and manage their performance

Seamlessly Add Spa Appointments to Guest Carts

- When integrated with Agilysys Versa, Agilysys Spa now supports V Cart. With this feature, users can now add spa appointments as itineraries to guest carts created in Agilysys Versa and book all itineraries in the cart at one go

Quickly Establish Relationships Between Clients

- Associate clients by quickly setting up relationships between them. Relationships can be associated with related clients on the fly or when they are created

Easily Charge to Oracle Opera PMS and Other PMS

- Do you have clients that charge spa services to their rooms? Agilysys Spa allows properties to post room charges to external PMS solutions including Oracle Opera PMS and other select PMS solutions

ABOUT AGILYSYS

Agilysys is well known for its long heritage of hospitality-focused technology innovation. The Company delivers modular and integrated software solutions and expertise to businesses seeking to maximize Return on Experience (ROE) through hospitality encounters that are both personal and profitable. Over time, customers achieve High Return Hospitality by consistently delighting guests, retaining staff and growing margins. Customers around the world include: branded and independent hotels; multi-amenity resort properties; casinos; property, hotel and resort management companies; cruise lines; corporate dining providers; higher education campus dining providers; food service management companies; hospitals; lifestyle communities; senior living facilities; stadiums; and theme parks. The Agilysys Hospitality Cloud™ combines core operational systems for property management (PMS), point of sale (POS), and inventory and procurement (I&P) with Experience Enhancers™ that meaningfully improve interactions for guests and for employees across dimensions such as digital access, mobile convenience, self-service control, personal choice, payment options, service coverage and real-time insights to improve decisions. Core solutions and Experience Enhancers are selectively combined in Hospitality Solution Studios™ tailored to specific hospitality settings and business needs.
