# a'Stay

## CLOUD-BASED PMS TECHNOLOGY

# Comprehensive & Easy-to-Use

**Your one-stop solution, Agilysys Stay helps grow occupancy, increase revenue, eliminate costs and engage more guests.**

Powering managers and owners of limited service, small chains, independents and boutiques with on-the-go insights and tools for revenue and rate yield management, room inventory and status, channel management, housekeeping, web reservations and more.

- Securely Process Credit Cards with End-to-End Encryption
- Integrated Web-Booking Tool
- Automated Upsells with Built-in, Intelligent Logic
- Quick ROI with Less Technology Overhead
- Real-time House Data – Anywhere, On Any Device

Finally — a streamlined PMS that plays nicely with existing web and on-site applications, including keys, phones, voicemail, internet, accounting, energy management, reservations, and others. Take Agilysys Stay with you anywhere and always have access to the latest software enhancements without the pain of managing updates on your own.

> **" It is a truly innovative solution that is easy to deploy, offers intuitive training and will help us connect more closely with our guests "**
