## ENHANCE GUEST SERVICE

### A Seamless Solution for Hotel & Resort Management

#### Everything You Need. Nothing You Don't.

Property management systems (PMS) are not created equal, and while hospitality professionals are looking to technology to automate their operations, they need solutions that support guest engagement as well. Guests crave personalized service and Agilysys Versa delivers! Plus, protecting your guests' financial data has never been more important. That's why Versa also offers PCI-validated (P2PE) point-to-point encryption with every credit card transaction.

Agilysys Versa seamlessly interfaces with Internet Distribution Systems (IDS), Online Travel Agents (OTA), and Global Distribution Systems (GDS), making your rooms available to more marketing channels and increasing brand exposure.

#### Choose from any combination of Agilysys Membership Management:

##### Digital Keys

Streamline operations with mobile check-in, room-ready messaging, and digital keys. A seamless check-in process places the guest in a positive mindset from the moment they arrive.

##### Express Kiosk

Enable more guest options and streamline the check-in and check-out process. No need to wait in line at the front desk.

##### Agilysys Service

Get instant notifications about guest requests from virtually any mobile device. Deliver service that exceeds the expectations of today's guest.

##### Agilysys Golf

A Pro Shop and course management solution that maintains member profiles, including financials, handicaps and purchase histories.

##### Agilysys Spa

Manage all your spa operations – from scheduling services to managing staff.

##### Agilysys Retail

Easily setup and track inventory, sell items as part of your other services, and consolidate it all on the guest folio.

##### Agilysys Membership Management

Complete membership management with the ability to define date sensitive membership, food and beverage or other fee schedules.

##### Agilysys Comp Accounting

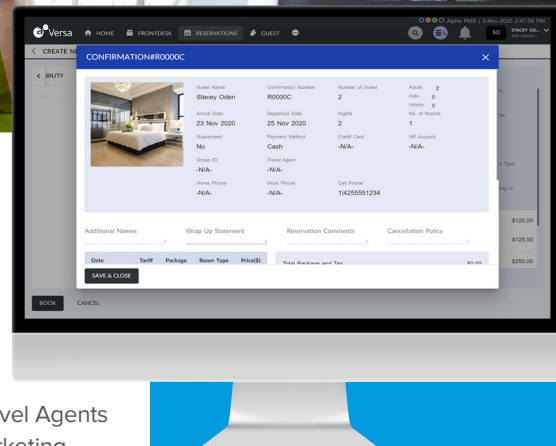

Quickly and easily link guests to their hotel accounts for evaluating comp decisions.

##### Agilysys Residence Management

Quickly and easily calculate the revenues, expenses and profit-sharing between condo owners and the management company.

##### Agilysys Sales and Catering

Ideal for account management, meeting room management and catering/banquet event order (BEO) management.

## Boost your Performance

Agilysys Versa is a comprehensive property management suite that offers a wide range of features and functionality, including front office operations, housekeeping, reservations management, digital room keys, and more. The sales & catering system is fully integrated, leveraging the PMS database to deliver real-time information between the front office and sales teams. A shared database supports centralized guest histories, multi-property reporting, travel agent management and seamless back office accounting. Unique to Versa, each property can adapt the software to meet their needs; customizable fields are created by individual locations for tracking the information that's most important to them.

Agilysys Versa integrates with other Agilysys solutions, including:

## A Memorable Guest Experience

Because reservations made in any Agilysys Versa module can be booked at once, it's easy to upsell and offer one-stop shopping to amenities like spa, golf and dining. The ability to store guest profiles facilitates personalized service while the built-in concierge provides up-to-date guest details quickly and easily.

### Commission-free Online Booking

It's easy to book a single room or multiple rooms at once with an appealing presentation of all the choices and amenities that guests want. Agilysys Book shows real-time availability to help drive that incremental revenue.

### Secure document scanning and storage.

Integration with the Agilysys DataMagine document management system enables scanned licenses and passports to be archived and linked to guest IDs in Versa. Guest profiles are automatically updated.

### InfoGenesis POS Check "Zoom"

View the detail of an Agilysys InfoGenesis POS closed check from a line item in the guest folio.

### Streamline Sales & Catering with Microsoft® Outlook integration

Versa Sales & Catering features two-way sync with Outlook contacts, tasks and calendar, and one-way sync with e-mails.

### An Easy-to-Use, Familiar Interface

Screens are laid out logically, with quick-feature icons and "drill-down" capabilities. Folio management and room blocking are a snap with drag-and-drop ease.

## ABOUT AGILYSYS

Agilysys is well known for its long heritage of hospitality-focused technology innovation. The Company delivers modular and integrated software solutions and expertise to businesses seeking to maximize Return on Experience (ROE) through hospitality encounters that are both personal and profitable. Over time, customers achieve High Return Hospitality by consistently delighting guests, retaining staff and growing margins. Customers around the world include: branded and independent hotels; multi-amenity resort properties; casinos; property, hotel and resort management companies; cruise lines; corporate dining providers; higher education campus dining providers; food service management companies; hospitals; lifestyle communities; senior living facilities; stadiums; and theme parks. The Agilysys Hospitality Cloud™ combines core operational systems for property management (PMS), point of sale (POS), and inventory and procurement (I&P) with Experience Enhancers™ that meaningfully improve interactions for guests and for employees across dimensions such as digital access, mobile convenience, self-service control, personal choice, payment options, service coverage and real-time insights to improve decisions. Core solutions and Experience Enhancers are selectively combined in Hospitality Solution Studios™ tailored to specific hospitality settings and business needs.
